MAXIMUM:

bridonMAX™

- 10% Stronger than premium netwrap
- Longer roll for more non-stop baling, less cost per bale
- Guaranteed length (not simply a “plus-or-minus” range)
- Unique raw material delivers stronger net with less weight
- Reduced net waste after feeding
- UV protection for long-term net strength
- Striping to aid correct roll loading in baler
 - Striping also aids unrolling at feeding time
- RED end-warning
- Roll carry handles for easier roll handling
- Performance tested
 - Designed for North American balers
 - Designed for North American crops and conditions

MAX™ Series	Rolls/Pallet	Color
48 x 9,840	12	White
