Bridon Netwrap 2021-2022 Product Guide

# MAXIMUM:

**bridonMAX™**

- 10% Stronger than premium netwrap
- Longer roll for more non-stop baling, less cost per bale
- Guaranteed length (not simply a “plus-or-minus” range)
- Unique raw material delivers stronger net with less weight
- Reduced net waste after feeding
- UV protection for long-term net strength
- Striping to aid correct roll loading in baler
  - Striping also aids unrolling at feeding time
- RED end-warning
- Roll carry handles for easier roll handling
- Performance tested
  - Designed for North American balers
  - Designed for North American crops and conditions

MAX™ Series	Rolls/Pallet	Color
48 x 9,840	16	White
48 x 14,700	16	White or green
